

Product Datasheet

ATIC Mouse mAb

Catalog No: AB3217

Reactivity: Human, Mouse, Rat

Isotype: Mouse IgG1

Applications: WB

www.abways.com

Information

UniProt ID: P31939

All Names: PURH; AICAR; AICARFT; IMPCHASE;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

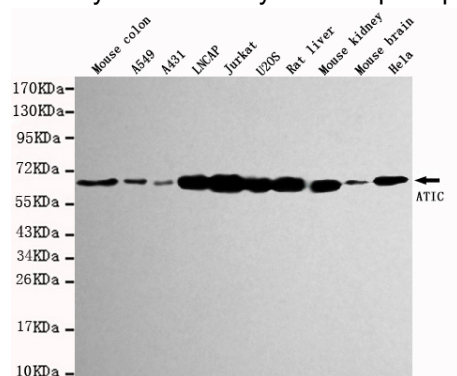

Molecular Wt.: 64KDa

Application

WB 1:1000

Background

Bifunctional enzyme that catalyzes 2 steps in purine biosynthesis.

Western blot detection of ATIC in various tissues and cell lysates using ATIC mouse mAb (1:1000 diluted). Predicted band size: 64KDa. Observed band size: 64KDa.

For Research Use Only. Not For Use In Diagnostic Procedures.
