

Product Datasheet

SSB (4B10) Mouse mAb

Catalog No: AB3411

Reactivity: Human

Isotype: Mouse IgG1

Applications: WB

www.abways.com

Information

UniProt ID: P05455

All Names: La; LARP3; La/SSB

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

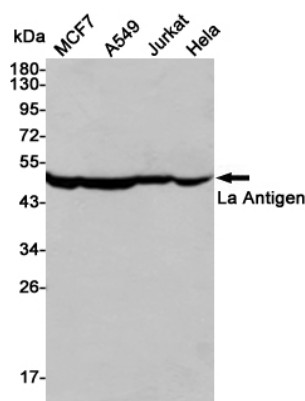

Molecular Wt.: 50kDa

Application

WB 1:500-1:1000

Background

Swiss-Prot Acc.P05455.Binds to the 3' poly(U) termini of nascent RNA polymerase III transcripts, protecting them from exonuclease digestion and facilitating their folding and maturation.

Western blot detection of La Antigen in MCF7, A549, Jurkat and HeLa cell lysates using La Antigen mouse mAb (dilution 1:1000). Predicted band size: 50kDa. Observed band size: 50kDa.

For Research Use Only. Not For Use In Diagnostic Procedures.
