

Product Datasheet

CKMT1 Mouse mAb

Catalog No: AB3476

Reactivity: Human,Rat

Isotype: Mouse IgG1

Applications: WB

www.abways.com

Information

UniProt ID: P12532

All Names: CKMT; CKMT1; UMTCK; CKMT1A

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 47kDa

Application

WB: 1/500-1/1000

Background

Swiss-Prot Acc.P12532.

Western blot detection of CKMT1 in Rat Brain, 293T and CHO-K1 cell lysates using CKMT1 mouse mAb (1:500 diluted). Predicted band size: 47KDa. Observed band size: 47KDa.

For Research Use Only. Not For Use In Diagnostic Procedures.
