

Product Datasheet

NRF1 Mouse mAb

Catalog No: AB3481

Reactivity: Human

Isotype: Mouse IgG2a

Applications: WB

www.abways.com

Information

UniProt ID: Q16656

All Names: Alpha palindromic-binding protein; Alpha-pal; locus control region factor 1; NFE2 related factor 1; NRF-1; Nrf1; NRF1_HUMAN; Nuclear respiratory factor 1; transcription factor 11.

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

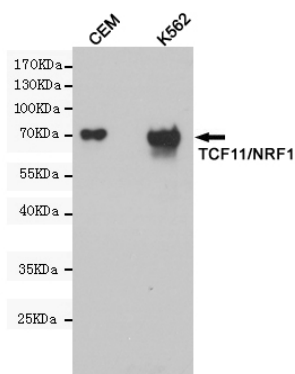

Molecular Wt.: 72kDa

Application

WB: 1/500-1/1000

Background

Swiss-Prot Acc.Q16656.

Western blot analysis of TCF11/NRF1 in CEM and K562 lysates using TCF11/NRF1 antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
