

Product Datasheet

Bovine Serum Albumin (10G8) Mouse mAb

Catalog No: AB3556

Reactivity: Bovine

Isotype: Mouse IgG

Applications: WB

www.abways.com

Information

UniProt ID: P02769

All Names: BSA; ALB; Albumin; HSA; PRO0883; Serum Albumin

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 66kDa

Application

WB: 1/500-1/1000

Background

Western blot analysis of Bovine Serum Albumin (10G8) in Bovine Serum Albuminlysates using Bovine Serum Albumin (10G8) antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
