

Product Datasheet

Phospho-MAP3K7 (Ser439) Antibody

Catalog No: AY0142

Reactivity: Human:S439,Mouse:S412,Rat:S439

Isotype: Rabbit IgG

Applications: WB,IHC

www.abways.com

Information

UniProt ID: O43318

All Names: Mitogen-activated protein kinase kinase kinase 7; EC=2.7.11.25; MAP3K7; TAK1

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

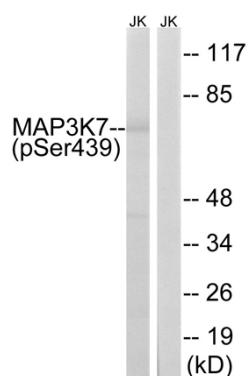

Application

WB: 1:500~1:3000

IHC: 1:50~1:100

ELISA: 1:1000

Background

Western blot analysis of extracts from Jurkat cells, treated with PMA (125ng/ml, 30mins), using MAP3K7 (Phospho-Ser439) antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
