

Product Datasheet

JHD3B Antibody

Catalog No: AY0179

Reactivity: Human

Isotype: Rabbit IgG

Applications: IHC

www.abways.com

Information

UniProt ID: O94953

All Names: EC 1.14.11.-, JMJ2B, Jumonji domain containing protein 2B

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

IHC: 1:50~1:100

ELISA: 1:1000

Background

For Research Use Only. Not For Use In Diagnostic Procedures.
