

Product Datasheet

Phospho-Myc (Thr358) Antibody

Catalog No: AY0211

Reactivity: Human:T358,Mouse:T358,Rat:T358

Isotype: Rabbit IgG

Applications: IHC,IP

www.abways.com

Information

UniProt ID: P01106

All Names: Myc;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

IHC: 1:50~1:100

ELISA: 1:20000

IP: Various Dilution

Background

For Research Use Only. Not For Use In Diagnostic Procedures.
