

Product Datasheet

Phospho-Trk A (Tyr757) Antibody

Catalog No: AY0229

Reactivity: Human:Y757,Mouse:Y760,Rat:Y760

Isotype: Rabbit IgG

Applications: IHC

www.abways.com

Information

UniProt ID: P04629

All Names: EC 2.7.10.1; High affinity nerve growth factor receptor precursor; kinase TrkA; NTRK1; p140-TrkA; Slow nerve growth factor receptor; TRK; Trk-A; TRK1 transforming tyrosine kinase protein; TRKA

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

IHC: 1:50~1:100

ELISA: 1:10000

Background

For Research Use Only. Not For Use In Diagnostic Procedures.
