

Product Datasheet

Retinoblastoma Antibody

Catalog No: AY0246

Reactivity: Human, Mouse, Rat

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: P06400

All Names: P105-RB; PP105; PP110; RB-1; RB1; retinoblastoma gene; Retinoblastoma-associated protein

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

WB: 1:500~1:3000

ELISA: 1:40000

Background

Western blot analysis of extracts from Jurkat cells, treated with PMA (125ng/ml, 30mins), using Retinoblastoma antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
