

Product Datasheet

Phospho-Progesterone Receptor (Ser190) Antibody

Catalog No: AY0248

Reactivity: Human:S190

www.abways.com

Isotype: Rabbit IgG

Applications: WB,IHC

Information

UniProt ID: P06401

All Names: Progesterone Receptor;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

WB: 1:500~1:3000

IHC: 1:50~1:100

ELISA: 1:20000

Background

Western blot analysis of extracts using Progesterone Receptor(Phospho-Ser190) Antibody. Line1: The extracts from COS7 cells untreated; Line2: The extracts from COS7 cells treated with EGF.

For Research Use Only. Not For Use In Diagnostic Procedures.
