

Product Datasheet

Phospho-PKR (Thr451) Antibody

Catalog No: AY0350

Reactivity: Human:T451

Isotype: Rabbit IgG

Applications: IHC

www.abways.com

Information

UniProt ID: P19525

All Names: EIF2AK2 , Interferon-induced, double-stranded RNA-activated protein kinase

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

IHC: 1:50~1:100

ELISA: 1:20000

Background

For Research Use Only. Not For Use In Diagnostic Procedures.
