

Product Datasheet

Phospho-Nuclear Receptor NR4A1 (Ser351) Antibody

Catalog No: AY0370

Reactivity: Human:S351,Mouse:S354,Rat:S350

www.abways.com

Isotype: Rabbit IgG

Applications: IHC

Information

UniProt ID: P22736

All Names: Early response protein NAK1, GFRP, GFRP1, HMR, N10, N10 nuclear protein, NAK1, NGFI-B, NGFIB, NR4A1, Nuclear hormone receptor NUR/77, Orphan nuclear receptor HMR, TR3 orphan receptor

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

IHC: 1:50~1:100

ELISA: 1:40000

Background

For Research Use Only. Not For Use In Diagnostic Procedures.
