

Product Datasheet

ITGA6 (light chain, Cleaved-Glu942) Antibody

Catalog No: AY0372

Reactivity: Human:E942

www.abways.com

Isotype: Rabbit IgG

Applications: WB

Information

UniProt ID: P23229

All Names: Integrin alpha-6 [Precursor], VLA-6, CD49f antigen, Integrin alpha-6 heavy chain, Integrin alpha-6 light chain, ITGA6

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

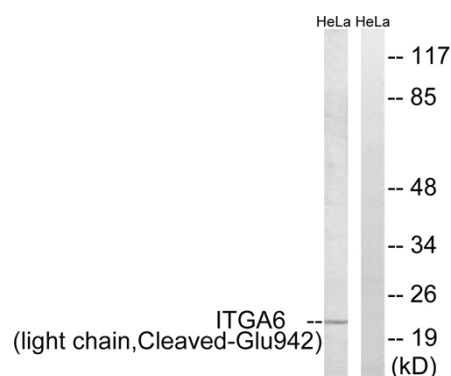

Molecular Wt.:

Application

WB: 1:500~1:3000

ELISA: 1:10000

Background

Western blot analysis of extracts from HeLa cells treated with etoposide (25uM, 24hours), using ITGA6 (light chain, Cleaved-Glu942) antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
