

Product Datasheet

Phospho-GATA3 (Ser308) Antibody

Catalog No: AY0377

Reactivity: Human:S308,Mouse:S308,

Isotype: Rabbit IgG

Applications: ICC/IF,ELISA

www.abways.com

Information

UniProt ID: P23771

All Names: GATA-binding factor 3, Trans-acting T-cell specific transcription factor GATA-3

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

IF: 1:100~1:500

ELISA: 1:10000

Background

For Research Use Only. Not For Use In Diagnostic Procedures.
