

Product Datasheet

Caspase 1 (p20, Cleaved-Asn120) Antibody

Catalog No: AY0406

Reactivity: Human:N120

www.abways.com

Isotype: Rabbit IgG

Applications: WB

Information

UniProt ID: P29466

All Names: CASP-1; caspase-1; EC 3.4.22.36; ICE; IL-1 beta converting enzyme; IL-1BC; IL1BCE; interleukin-1 beta convertase; interleukin-1 beta converting enzyme; p45

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

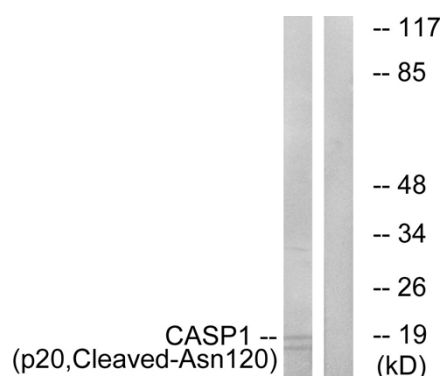

Molecular Wt.:

Application

WB: 1:500~1:3000

ELISA: 1:20000

Background

Western blot analysis of extracts from rat eye cells, using CASP1 (p20, Cleaved-Asn120) antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
