

Product Datasheet

Phospho-TGF β Receptor II (Ser225/250) Antibody

Catalog No: AY0446

Reactivity: Human:S225,Mouse:S250

www.abways.com

Isotype: Rabbit IgG

Applications: IHC

Information

UniProt ID: P37173

All Names: EC 2.7.11.30, TGF-beta receptor type II precursor, TGF-beta type II receptor, TGF-betaR2, TGFR-2, TGFR2, kinase TGF-beta-R2

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

IHC: 1:50~1:100

ELISA: 1:10000

Background

For Research Use Only. Not For Use In Diagnostic Procedures.
