

Product Datasheet

Phospho-p16-INK4a (Ser152) Antibody

Catalog No: AY0463

Reactivity: Human:S152

Isotype: Rabbit IgG

Applications: WB,IHC

www.abways.com

Information

UniProt ID: P42771

All Names: CD2A1; CDK4I; CDKN2; CDKN2A; CDN2; Cyclin-dependent kinase 4 inhibitor A; cyclin-dependent kinase inhibitor 2A; MTS1; Multiple tumor suppressor 1; p14ARF; p16(INK4a); p16-INK4; P16INK4A

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

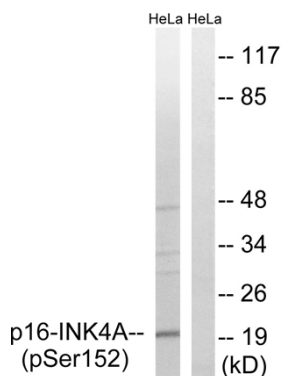

Application

WB: 1:500~1:3000

IHC: 1:50~1:100

ELISA: 1:1000

Background

Western blot analysis of extracts from HeLa cells, treated with EPO (20U/ml, 15mins), using p16-INK4a (Phospho-Ser152) antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
