

Product Datasheet

Phospho-TIRAP (Tyr86) Antibody

Catalog No: AY0568

Reactivity: Human:Y86,Mouse:Y106

Isotype: Rabbit IgG

Applications: IHC,ELISA

www.abways.com

Information

UniProt ID: P58753

All Names: Adaptor protein Wyatt; MAL; MyD88 adapter-like protein; TIR domain-containing adapter protein; Toll-interleukin 1 receptor domain-containing adapter protein

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

IHC: 1:50~1:100

ELISA: 1:1000

Background

For Research Use Only. Not For Use In Diagnostic Procedures.
