

Product Datasheet

Phospho-hnRNP K (-Ser216) Antibody

Catalog No: AY0576

Reactivity: Human:S216,Mouse:S216,Rat:S216

www.abways.com

Isotype: Rabbit IgG

Applications: WB

Information

UniProt ID: P61978

All Names: Heterogeneous nuclear ribonucleoprotein K, hnRNP K, Transformation up-regulated nuclear protein, TUNP

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

WB: 1:500~1:3000

ELISA: 1:20000

Background

Western blot analysis of extracts from JurKat cells, using hnRNP K (Phospho-Ser216) antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
