

Product Datasheet

RAD51 Antibody

Catalog No: AY0633

Reactivity: Human, Mouse

Isotype: Rabbit IgG

Applications: WB, ELISA

www.abways.com

Information

UniProt ID: Q06609

All Names: DNA repair protein RAD51 homolog 1; RAD51A; RECA

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

WB: 1:500~1:3000

ELISA: 1:20000

Background

Western blot analysis of extracts from LOVO cells, using RAD51 antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
