

Product Datasheet

ITCH Antibody

Catalog No: AY0928

Reactivity: Human, Mouse

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: Q96J02

All Names: AIF4; AIP4; atrophin-1-interacting protein 4; EC 6.3.2.-; Itchy homolog E3 ubiquitin protein ligase; NAPP1; NFE2-associated polypeptide 1; ubiquitin protein ligase ITCH

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

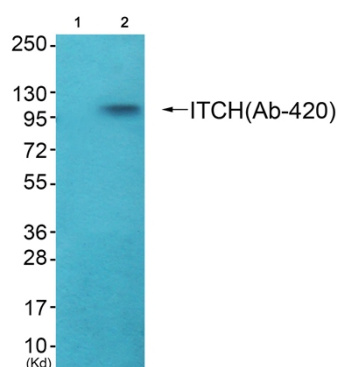

Molecular Wt.:

Application

WB: 1:500~1:3000

ELISA: 1:40000

Background

Western blot analysis of extracts from mouse brain cells, using ITCH antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
