

Product Datasheet

ADRBK1 Antibody

Catalog No: AY1111

Reactivity: Human, Mouse, Rat

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: P25098

All Names: BARK1; BETA-ARK1; FLJ16718; GRK2;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

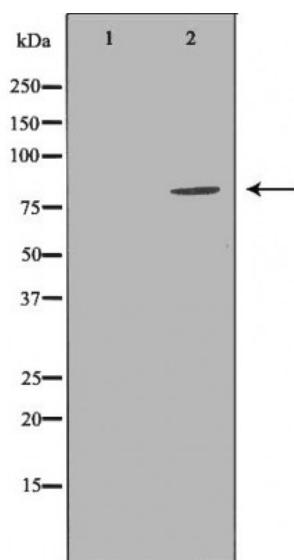

Immunogen: A synthesized peptide

Molecular Wt.: 80kDa

Application

WB 1:500-1:2000

Background

Western blot analysis of extracts from HuvEc cells, using ADRBK1 antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
