

Product Datasheet

CLPT1 Antibody

Catalog No: AY1728

Reactivity: Human, Mouse

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: O96005

All Names: Cleft lip and palate transmembrane protein 1; CLPTM1

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 74 KD

Application

WB 1:500~1:1000

Background

Western blot analysis of extracts from COS-7 cells, using CLPT1 antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
