

## Product Datasheet

# GBP1 Antibody

Catalog No: AY2286

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB, ICC/IF

### Information

**UniProt ID:** P32455

**All Names:** GBP-1; Guanine nucleotide-binding protein 1; Interferon-gamma inducible protein MAG-1; Interferon-induced guanylate-binding protein 1; MAG-1; MPA1

**Form:** Liquid

**Storage instructions:** Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

**Storage buffer:** pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

**Purity:** Affinity-chromatography

**Immunogen:** A synthesized peptide

**Molecular Wt.:** 68 KD

### Application

WB 1:500~1:1000

IF/ICC 1:100-1:500

### Background

Western blot analysis of extracts from HUVEC cells, using GBP1 antibody.

**For Research Use Only. Not For Use In Diagnostic Procedures.**
