

Product Datasheet

ITPK1 Antibody

Catalog No: AY2731

Reactivity: Human, Mouse

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: Q13572

All Names: Inositol-tetrakisphosphate 1-kinase, EC 2.7.1.134, Inositol-triphosphate 5/6-kinase, EC 2.7.1.159, Inositol 1,3,4-trisphosphate 5/6-kinase, Ins(1,3,4)P(3) 5/6-kinase

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 50 KD

Application

WB 1:500~1:1000

Background

Western blot analysis of extracts from HeLa cells, HepG2 cells and Jurkat cells, using ITPK1 antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
