

Product Datasheet

MAP2K6 Antibody

Catalog No: AY2911

Reactivity: Human, Mouse, Rat

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: P52564

All Names: MAPKK6; MEK6; MKK6; PRKMK6; SAPKK3;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 37kD

Application

WB 1:500-1:2000

Background

Western blot analysis of extracts of HeLa cell line, using MAP2K6 antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
