

Product Datasheet

NCAN Antibody

Catalog No: AY3157

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: O14594

All Names: Chondroitin sulfate proteoglycan 3; chondroitin sulfate proteoglycan 3 (neurocan); CSPG3; FLJ44681; NCAN; NEUR; neurocan; Neurocan core protein; neurocan proteoglycan

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 0 KD

Application

WB 1:500~1:1000

Background

Western blot analysis of extracts from Jurkat cells, using NCAN antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
