

## Product Datasheet

# SEPT2 Antibody

Catalog No: AY4061

Reactivity: Human, Mouse, Rat

Isotype: Rabbit IgG

Applications: WB

### Information

**UniProt ID:** Q15019

**All Names:** Protein NEDD5; Septin-2; Neural precursor cell expressed developmentally down-regulated protein 5; DIFF6, KIAA0158, NEDD5

**Form:** Liquid

**Storage instructions:** Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

**Storage buffer:** pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

**Purity:** Affinity-chromatography

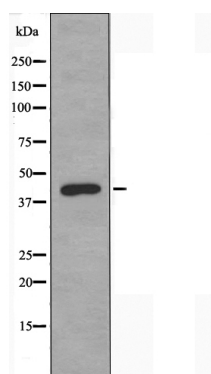

**Immunogen:** A synthesized peptide

**Molecular Wt.:** 41 KD

### Application

WB 1:500~1:1000

### Background

Western blot analysis of extracts from Jurkat cells and MCF-7 cells, using SEPT2 antibody.

**For Research Use Only. Not For Use In Diagnostic Procedures.**
