

Product Datasheet

SGCA Antibody

Catalog No: AY4105

Reactivity: Human, Mouse

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: Q16586

All Names: Alpha-sarcoglycan; Alpha-SG; Adhalin; 50 kDa dystrophin-associated glycoprotein; 50DAG; Dystroglycan-2

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 43 KD

Application

WB 1:500~1:1000

Background

Western blot analysis of extracts from Jurkat cells, HepG2 cells and HeLa cells, using SGCA antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
