

Product Datasheet

THY1 Antibody

Catalog No: AY4397

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: P04216

All Names: Thy-1 membrane glycoprotein; Thy-1 antigen; CDw90; CD90; THY1

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 28 KD

Application

WB 1:500~1:1000

Background

Western blot analysis of extracts from HuvEc cells, using THY1 antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
