

Product Datasheet

TINF2 Antibody

Catalog No: AY4404

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: Q9BSI4

All Names: TRF1-interacting nuclear protein 2, TERF1-interacting nuclear factor 2, TINF2, TIN2

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 53 KD

Application

WB 1:500~1:1000

Background

Western blot analysis of extracts from HUVEC cells, using TINF2 antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
