

Product Datasheet

TOP1 Antibody

Catalog No: AY4454

Reactivity: Human, Mouse, Rat

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: P11387

All Names: DNA topoisomerase 1; DNA topoisomerase I; TOP1; TOPI; topoisomerase (DNA) I; type I DNA topoisomerase

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 91 KD

Application

WB 1:500~1:1000

Background

Western blot analysis of extracts from Jurkat/293 cells, using TOP1 antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
