

Product Datasheet

ALK Antibody

Catalog No: AY4754

Reactivity: Human, Mouse

Isotype: Rabbit IgG

Applications: IHC

www.abways.com

Information

UniProt ID: Q9UM73

All Names: ALK tyrosine kinase receptor; anaplastic lymphoma kinase; anaplastic lymphoma kinase (Ki-1); CD246; EC 2.7.10.1; kinase ALK

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

IHC: 1:50~1:100

ELISA: 1:40000

Background

For Research Use Only. Not For Use In Diagnostic Procedures.
