

Product Datasheet

IKK- γ Antibody

Catalog No: AY4782

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: Q9Y6K9

All Names: FIP-3, FIP3, I-kappa-B kinase gamma, IKBKG, IKK-gamma, IKKAP1, IKKG, Ikb kinase gamma subunit, Ikb kinase-associated protein 1, Inhibitor of nuclear factor kappa-B kinase gamma subunit, NEMO, NF-kappaB essential modifier, NF-kappaB essential modulator, mF

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.:

Application

WB: 1:500~1:3000

ELISA: 1:10000

Background

Western blot analysis of extracts from COS-7 cells, using IKK- γ antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
