

Product Datasheet

TOP2A Antibody

Catalog No: CY2138

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB, IHC

www.abways.com

Information

UniProt ID: P11388

All Names: DNA topoisomerase II, DNA topoisomerase II-alpha, EC 5.99.1.3, P11388-1, TOP-2, TOP2, TOP2A, TP2A, alpha isozyme

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 174kDa

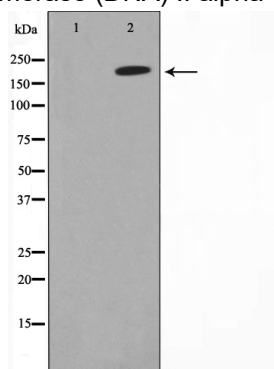

Application

WB 1:500-1:2000

IHC 1:50-1:200

Background

DNA topoisomerase 2-alpha; DNA topoisomerase II, 170 kD; DNA topoisomerase II, alpha isozyme; TOP2; TOP2A; topoisomerase (DNA) II alpha 170kDa; TP2A

Western blot analysis on Jurkat cell lysate using TOP2A Antibody
