

Product Datasheet

Fra 2 Antibody

Catalog No: CY2903

Reactivity: Human, Mouse, Rat

Isotype: Rabbit IgG

Applications: WB, IHC

www.abways.com

Information

UniProt ID: P15408

All Names: FLJ23306, FOS-RELATED ANTIGEN 2

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide derived from human Fra 2

Molecular Wt.: 35 kDa

Application

WB 1:500~1:2000

IHC 1:50-1:200

Background

Controls osteoclast survival and size (By similarity). As a dimer with JUN, activates LIF transcription (By similarity). Activates CEBPB transcription in PGE2-activated osteoblasts.

Western blot analysis of extracts from LOVO cells, using Fra-2 antibody.

Immunohistochemical analysis of paraffin-embedded human breast carcinoma tissue using Fra-2 antibody.

For Research Use Only. Not For Use In Diagnostic Procedures.
