

Product Datasheet

TRXR2 Antibody

Catalog No: CY2959

Reactivity: Human, Mouse, Rat

Isotype: Rabbit IgG

Applications: WB, IHC

www.abways.com

Information

UniProt ID: Q9NNW7

All Names: EC 1.8.1.9, SelZ, TR, TR-beta, TR3, TRXR2, selenoprotein Z, thioredoxin reductase 2, thioredoxin reductase 2, mitochondrial precursor, thioredoxin reductase 3, thioredoxin reductase beta

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 56 kDa

Application

WB 1:500-1:2000

IHC 1:50-1:200

Background

Maintains thioredoxin in a reduced state. Implicated in the defenses against oxidative stress. May play a role in redox-regulated cell signaling.

Western blot analysis of TRXR2 expression in HT29 cells

For Research Use Only. Not For Use In Diagnostic Procedures.
