

Product Datasheet

Phospho-APC(Ser2054) Antibody

Catalog No: CY6033

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB,IHC

www.abways.com

Information

UniProt ID: P25054

All Names: APC, APC protein, Adenomatous polyposis coli protein, DP2.5, mAPC

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 311kDa

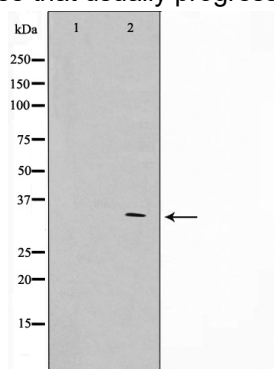

Application

WB 1:500-1:2000

IHC 1:50-1:200

Background

This gene encodes a tumor suppressor protein that includes among its many intracellular functions one of nuclear export. Defects in this gene cause familial adenomatous polyposis (FAP), an autosomal dominant pre-malignant disease that usually progresses t

Western blot analysis on HuvEc cell lysate using
Phospho-APC(Ser2054) Antibody
