

Product Datasheet

Myosin heavy chain Antibody

Catalog No: CY6635

Reactivity: Human Mouse Rat

Isotype: Rabbit IgG

Applications: WB IHC

www.abways.com

Information

UniProt ID: P12883/P13533

All Names: cardiac muscle alpha isoform; MYH6; MYH7; MYHC; MYHCA; MYHCB; Myosin heavy chain 6; Myosin heavy chain; Myosin-6;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 224 kDa

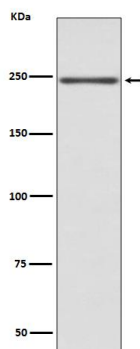

Application

WB 1:500~1:1000

IHC 1:50~1:200

Background

Muscle contraction.

Western blot analysis of Myosin heavy chain expression in mouse heart lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
