

Product Datasheet

GC1q R Antibody

Catalog No: CY7012

Reactivity: Human Mouse Rat

Isotype: Rabbit IgG

Applications: WB IHC

www.abways.com

Information

UniProt ID: Q07021

All Names: ASF/SF2 associated protein p32; C1q globular domain binding protein; C1qBP; GC1Q R; GC1QBP; GC1QR; p32 splicing factor; SF2p32;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 31kDa

Application

WB 1:500~1:2000

IHC 1:50~1:200

Background

Binds to the globular "heads" of C1Q thus inhibiting C1 activation.

Western blot analysis of GC1q R expression in HeLa cell lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
