

Product Datasheet

PKC mu Antibody

Catalog No: CY7020

Reactivity: Human Mouse Rat

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: Q15139

All Names: nPKC D1; nPKC mu; nPKCD1; nPKCmu; PKCM; PKCmu; PKD1; PRKCM; PRKD 1; Prkd1;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

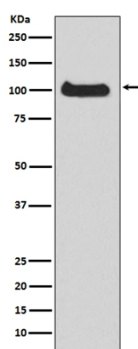

Molecular Wt.: 102kDa

Application

WB 1:500~1:2000

Background

Converts transient diacylglycerol (DAG) signals into prolonged physiological effects, downstream of PKC. Involved in resistance to oxidative stress through activation of NF-kappa-B.

Western blot analysis of PKC mu expression in HeLa cell lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
