

Product Datasheet

RPS19 Antibody

Catalog No: CY8039

Reactivity: Human Mouse Rat

Isotype: Rabbit IgG

Applications: WB IHC IP

www.abways.com

Information

UniProt ID: P39019

All Names: DBA; DBA1; Ribosomal protein S19; rps19; S19;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 16kDa

Application

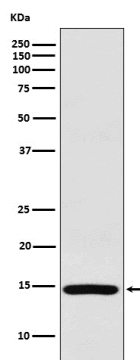

WB 1:500~1:2000

IHC 1:50~1:200

IP 1:50

Background

Required for pre-rRNA processing and maturation of 40S ribosomal subunits.

Western blot analysis of RPS19 expression in HeLa cell lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
