

Product Datasheet

FGF1 Antibody

Catalog No: CY8084

Reactivity: Human Mouse Rat

Isotype: Rabbit IgG

Applications: WB IHC

www.abways.com

Information

UniProt ID: P05230

All Names: FGF1; AFGF; ECGF; ECGF-beta; ECGFA; ECGFB; FGF-alpha; FGFA; HBGF1;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 17kDa

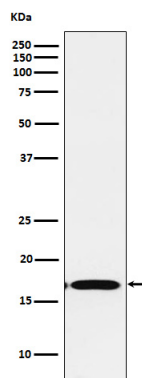

Application

WB 1:500~1:2000

IHC 1:50~1:200

Background

The heparin-binding fibroblast growth factors play important roles in the regulation of cell survival, cell division, angiogenesis, cell differentiation and cell migration.

Western blot analysis of FGF1 expression in Mouse kidney lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
