

Product Datasheet

FNDC5 Antibody

Catalog No: CY8106

Reactivity: Human Mouse Rat

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: Q8NAU1

All Names: FNDC 5; FRCP2; irisin;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 24kDa

Application

WB 1:500~1:2000

Background

Irisin: Contrary to mouse, may not be involved in the beneficial effects of muscular exercise, nor in the induction of browning of human white adipose tissue.

Western blot analysis of FNDC5 expression in Rat muscle cell lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
