

Product Datasheet

IRAK2 Antibody

Catalog No: CY8297

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB IP FC

www.abways.com

Information

UniProt ID: O43187

All Names: Interleukin 1 receptor associated kinase 2; IRAK 2; Irak2;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 69kDa

Application

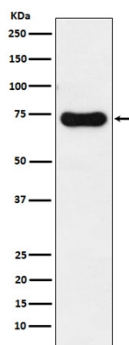

WB 1:500~1:2000

IP 1:50

FC 1:100

Background

Binds to the IL-1 type I receptor following IL-1 engagement, triggering intracellular signaling cascades leading to transcriptional up-regulation and mRNA stabilization.

Western blot analysis of IRAK2 expression in HeLa cell lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
