

Product Datasheet

CD134 Antibody

Catalog No: CY8317

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB FC

www.abways.com

Information

UniProt ID: P43489

All Names: ACT35; CD134; IMD16; OX40; OX40L receptor; TNFRSF4; Txgp1; Txgp1l;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 45kDa

Application

WB 1:500~1:1000

FC 1:50

Background

Receptor for TNFSF4/OX40L/GP34.

Western blot analysis of CD134 expression in Human fetal spleen lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
