

Product Datasheet

RAC3 Antibody

Catalog No: CY8362

Reactivity: Human, Mouse, Rat

Isotype: Rabbit IgG

Applications: WB, IHC

www.abways.com

Information

UniProt ID: P60763

All Names: Rac1B; RAC3;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 21kDa

Application

WB 1:500~1:2000

IHC 1:50~1:200

Background

Plasma membrane-associated small GTPase which cycles between an active GTP-bound and inactive GDP-bound state.

For Research Use Only. Not For Use In Diagnostic Procedures.
