

Product Datasheet

RANK Antibody

Catalog No: CY8495

Reactivity: Human

Isotype: Rabbit IgG

Applications: WB

www.abways.com

Information

UniProt ID: Q9Y6Q6

All Names: CD265; FEO; LOH18CR1; mRANK; ODFR; OFE; OPTB7; OST5; PDB2; RANK; TNFRSF11A; TRANCER;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 80kDa

Application

WB 1:500~1:2000

Background

Receptor for TNFSF11/RANKL/TRANCE/OPGL; essential for RANKL-mediated osteoclastogenesis. Involved in the regulation of interactions between T-cells and dendritic cells.

Western blot analysis of RANK expression in Human fetal liver lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
