

Product Datasheet

MYH11 Antibody

Catalog No: CY8529

Reactivity: Human Mouse

Isotype: Rabbit IgG

Applications: WB IHC

www.abways.com

Information

UniProt ID: P35749

All Names: AAT4; FAA4; MYH11; SM1; SM2; SMHC; SMMHC;

Form: Liquid

Storage instructions: Store at +4°C short term. Store at -20°C long term. Avoid freeze / thaw cycle.

Storage buffer: pH 7.4, 150mM NaCl, 0.02% sodium azide and 50% glycerol.

Purity: Affinity-chromatography

Immunogen: A synthesized peptide

Molecular Wt.: 250kDa

Application

WB 1:1000~1:5000

IHC 1:50~1:200

Background

Muscle contraction.

Western blot analysis of Myosin, smooth muscle heavy chain 1 and 2 expression in Human bladder lysate.

For Research Use Only. Not For Use In Diagnostic Procedures.
